Objectives

The assignment is intended to enable you to demonstrate that:

- You are able to work in a group.
- You have researched and sourced relevant literature, books and online resources.
- You understand key accessibility or sustainability approaches and techniques.
- You have evaluated relevant websites to use as examples.

Description

This group assignment is to plan and produce a Toolkit for Web Accessibility *or* Sustainable Web Design.

The toolkit should have the following primary objectives.

- Justify requirements or motivation for toolkit.
- Raise awareness and disseminate information about selected topic.
- Collate and review existing tools, standards and guidelines.
- Provide exemplars from websites based on the above.

Further guidance

Each group can establish a target audience, additional objectives and agree a focus for the Toolkit in their initial meeting.

Detailed minutes from a minimum of 3 groupwork meetings should be written up and submitted as part of the assignment.

Each individual student should complete their own group contribution and reflection sheet.

A group presentation of each toolkit will be scheduled in Week 10/11.

Submitting your Assignment

Each student should upload the group toolkit, meeting minutes and their own individual group work contribution and reflection sheet to the A2 - assignment 2 slot on MMS.

The group presentation should be uploaded to the group Teams channel which will be set up in advance of the presentations.
